1. **Format:** 36-hole stroke play competition taking the low 5 scores per team, per round.

  - b. Any ball out bounds requires Stroke and Distance relief. The model local rule to drop in the fairway is not in play.
4. **Abnormal Course Conditions:**
  - a. **Ground Under Repair:** In the *general area*, areas of damage caused by armadillos or skunks are treated as *ground under repair* from which relief is allowed under Rule 16.1b. **But**, interference does not exist if the damage only interferes with the player's *stance*.
  - b. **Immovable Obstructions:** In addition to item #4b on the NCCGA Hard Card, the following are *immovable obstructions*:

  - d. **Dangerous Animal Condition 16.2b:** For fire ant mounds or beds, the player may take relief under Rule 16.1b, c or d, depending on whether the ball is in the *general area*, in a bunker or on the putting green. The player may proceed under 16.2b(2) in a penalty area.
  - e. **Animal Hoof Damage:** Damage that is clearly identifiable as having been caused by *animal hoofs* is *ground under repair* from which free relief is allowed under Rule 16.1. **But** on the *putting green*, Rule 16.1 does not apply as such damage may be repaired under Rule 13.1.
5. **Advice Local Rule:** Each team may name one *advice* giver whom players on the team may ask for *advice* and receive *advice* from during the *round*. The team must identify the *advice* giver to the *Committee* before any player on the team begins his or her *round*. Outside *advice* from anyone other than the designated *advice* giver will result in the general penalty (2-strokes) for breaching Rule 24.4.
